

# Understanding Our Catalogue

Some questions are on everybody's mind, please allow us to explain how our catalogue works and answer the most common questions.

# CODING

Most item codes are shown in the order that they appear by image. You can usually tell which is which by the letter they end in, indicating if the item is a "L" Large or "K" Keepsake etc.

A = Adult L = Large M = Medium S = SmallXS=Extra Small P=Petite H=Heart K=Keepsake T=Tealight

# COLOUR

The colours in each collection are not interchangable, what is available for each item is as shown.

All possible care has been taken to provide accurate images however due to the nature of print, some colours may vary.

The codes/letters also corrolate to the dimensions

Eg T:13cm = Tealight is 13cm

These can ususally be found under the Collection name, or next to the item name itself. Eq:

## A LITTLE ABOUT US - sustainable, fair and quality made.

We are proud to offer an extensive range - full of unique styles and materials - to give people the gift of choice in a time that may be one of the most personal moments of their lifetimes. Every person is unique, and every memorial deserves to be just as special.

You will notice that the items in this catalogue come from all over the world. Many years have gone into sourcing the best producers, innovators and caring people in the industry - some are the largest in the world and some are small family run and Australian based, many are in between. We believe in high quality products, that are made by people who care.

It is important to us that the items we offer are manufactured to the highest standards - in both quality and in the way that its creation effects our planet and the people involved in its production. We are proudly registered with Sedex, in their anti modern slavery network, to ensure that manufacturing is fair and ethical. We are also in the process of assessing and developing our SDG sustainability goals, and we always have an eye on how we can make our process better for all.

Australian owned and run. After 20 years of business, we are more proud than ever to offer a range that might help you in this toughest of times. With love - from our family to yours.

Make it Personal with Mustowship

Engraving an urn with a special design or creating a print for one of our frames is a beautiful way to add your own personal touch to your memorial.

Some images will not engrave well on certain surfaces, so once you have made your selection, ask us to confirm if the image will suit your chosen urn. Please note that copyrighted images cannot be used, but ask us for more infomation about what may be possible in these instances. There is a time delay for delivery of personalised products. We cannot guarantee urns engraved by outside parties.

Can't find what you're looking for? Make sure you talk to our team to see what else is possible.

Personalise with names, significant dates, symbols to represent stories, personalities or hobbies, messages of love and meaning, or personal quotes....

Each urn is crafted by hand and can take up to 30 hours to complete.

The sophisticated process involves the hammering of copper filigree to form delicate floral patterns which are hand-filled with enamel to develop rich shades of colour before these beautiful cremation urns are ailded in gold.

You can now preview what an urn would look like - in your own home - with our App for the iPad and iPhone.
